**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to take this opportunity to tell you:

Competition in broadband service is a necessity! What are we to do when the service provider available (imagine no other choice as we have now) can't provide reliable service or worse, any at all? I have a local provider because AT & T and Comcast couldn't get the job done. I have business needs for my home office and personal, of course.

This really isn't about them, the companies, it's about us.

Please consider this.

Best,

Amy Coty
